THE HONORABLE COMMISSIONER OF PATENTS AND TRADEMARKS

WASHINGTON, D.C. 20231

Sir:

The above-identified application became abandoned for failure to timely file the publication fee of \$300 set forth in the Notice of Allowance of December 13, 2004, along with the issue fee of \$700 that was timely tendered. The date of abandonment was March 15, 2005, the day after the expiration date of the period set for reply in the Notice of Allowance. The entire delay to timely file a proper reply, i.e., submit the publication fee, was unintentional and not for the purposes of delay.

The petition fee for the applicant, being a small entity, is \$750 and a check in that amount plus the publication fee of \$300 is submitted herewith. Further, a statement that the delay was unintentional and not for the purposes of delay was submitted.
